Much has been said about the shortage of primary and secondary school teachers. The American Classical League, the American Philological Association, the Classical Association for the Middle West and South, and various regional and state classical organizations are promoting a cooperative venture, National Latin Teacher Recruitment Week, to engage all Classicists at all levels of instruction in the business of insuring that our Latin, Greek and Classics pre-college classrooms have the teachers they need.

Join us Spring 2008 by taking one day to talk to your students about becoming a primary or secondary school teacher. For materials and other information, please visit our website at www.promotelatin.org/nltrw.htm.
